

# GULF COAST CARNIVAL ASSOCIATION

# Reel Travel

Man has traveled billions of miles in quest of food, riches, knowledge and adventure. Travel began with the wheel and eventually lead to vehicles powered by steam, gas and electricity. We invented ships and submarines in order to cross vast bodies of water. We discovered how to float in the clouds with balloons, soar with the birds in airplanes and travel in space putting man on the moon. Tonight Gulf Coast Carnival Association will take you on a ride through the history of transportation and how it has been depicted in the motion picture industry.

Sit back, relax and we hope you enjoy the show.

## In Appreciation to Sponsors

The Board of Directors of Gulf Coast Carnival Association and the Captain of Carnival wish to acknowledge those firms, entities and individuals listed herein for their float and community sponsorships. We express our appreciation for your interest and support. Your civic contribution in the special way of "Sponsoring Carnival" is commendable.

To our float sponsors, who make our decorative floats possible every year, you have our sincere gratitude. Certainly, your civic support is rewarded by the happy expressions on the faces of thousands, and especially the children, who view our parades. To you, we say, thank you for sharing.

To our community sponsors, we continue to improve our format of activities to provide you with greater enjoyment. The sponsors program has given interested persons an opportunity to be involved with "Carnival," while also making the Mardi Gras celebration possible. Thank you for getting into the "Carnival Spirit" on the Mississippi Gulf Coast.

## Mardi Gras Volunteers

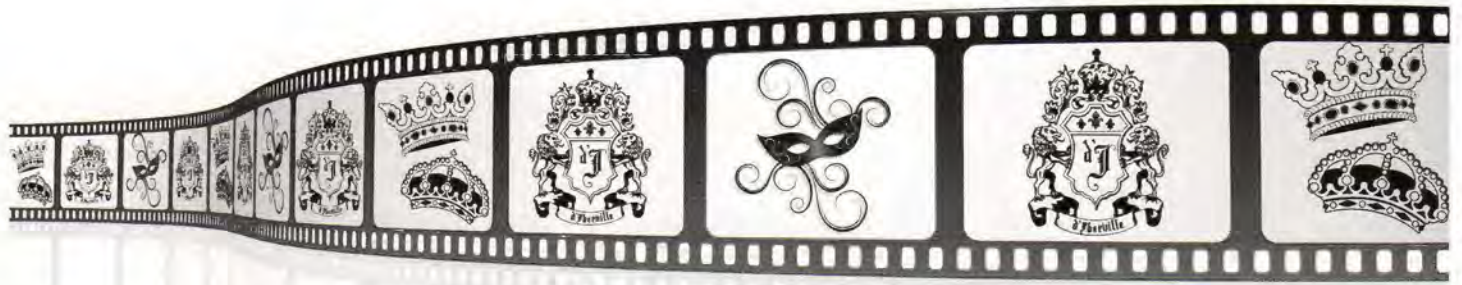

The Board of Directors and the Captain of Carnival wish to recognize those individuals who are responsible for the planning and execution of the Mardi Gras celebration. All give of their time so that others might enjoy Carnival on our Mississippi Gulf Coast. We thank them for caring and sharing their time and talents.

## A Message From the Captain

As I complete my second year as Captain of Gulf Coast Carnival Association, I want to say what an honor it is to serve the community in this capacity and I thank the board of directors for the privilege. Carnival is about the people you meet and the friends you make, the royalty, the sponsors and the volunteers. The royalty has been exceptional to work with and on behalf of GCCA I thank you for your participation. This organization could not succeed without the help of the hundreds of volunteers. Thank you to all the volunteers, we could not do this without you! And to the sponsors, as we roll through the streets of Biloxi tomorrow, it is through your generosity that the largest free public event in the State of Mississippi will take place. Take pride in knowing that you are responsible for such a great event.

On a personal note, I want to thank a very special person that I have leaned on during the past two years for her support and ideas, my wife Dianne. I could not have done this without you. Thanks to Lieutenant Bobby Watts and his wife Kathy, Nancy Rogers, Bill Holmes, Robbie Schmidt, and Doug Blom. And a special thanks to the single largest supporter of Mardi Gras and GCCA, the City of Biloxi. You are all so great to work with and it has been my pleasure. I hope everyone has a safe and enjoyable Mardi Gras.

Laissez les bon temps roulez!
